

Air Duster

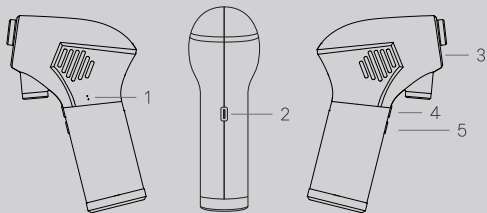

Instruction Manual

iiglo®

Package contents

- Electric Air Duster
- USB Cable
- User Manual

Product Description

- 1- LED indicator
2- Charging Port
3- LED Light
4- Power ON/OFF
5- LED ON/OFF

Specifications

Model No.	IIAIRDUSTUSB01-BTA303
Power supply	DC5V
Rated power	60W
Battery capacity	6000mAh
Charging Time	4h
Working Time	Power 1: 0.5H
	Power 2: 0.35H
Working Temperature	-10 °C - +50 °C
Storage Temperature	-20 °C - +60 °C
Material	ABS PP
Noise	<80dB
Weight	385g
Product Dimensions	D189xW79xH131mm

How to charge

1. Insert the USB cable into the air duster charge port. The indicator LED flickers red while the device is charging. When fully charged, the LED indicator will stay red.
2. Connect the cable with a 5V/2A USB outlet, such as a USB charger, cellphone adapter, laptop, power bank, etc.

※ To shorten the charging time, please connect the cable with a 5V/2A USB outlet, such as a USB charger, cellphone adapter, or similar. Some USB outlets might have insufficient output current, slowing down the charging speed or even hindering the charging. We do not recommend using the product while charging since it will not hold a charge while working.

How to Use

1. Release the nozzle from the nozzle hole and attach it to the air outlet.
2. Press and hold the on/off button for 3 seconds to turn on the device. Quickly press the on/off button to change the power setting or to turn the device off (low power, high power, shutdown).
3. Press the LED on/off button to control the LED light.

Note:

1. When the device is low on power, the dusting power will also be weak. Recharge the device to regain full dusting force.
2. Keep the device fully charged for longer battery life.
3. The blades inside the product rotate at high speed. Do not put foreign objects into it to prevent damage.
4. Do not use the device when the surrounding temperature exceeds 60°C. Do not press or disassemble the battery to prevent environmental pollution or fire.
5. To ensure the performance and service life of the product, please use company-specific accessories.
